

New!

Micro CA-300 Inspection Camera

Documentation made easy with the new RIDGID micro CA-300 Inspection Camera, the next evolution of the microEXPLORER Inspection Camera. Easily record still images and videos of problems in hard to reach areas and then share the findings with the RIDGIDConnect solution. Comfortable pistol-grip design, large screen and rugged anodized aluminum camera head with four bright LEDs make it easy to detect and diagnose the unreachable. Get the perfect view with the enhanced features like image rotation and digital zoom.
